Skills

Graphic Design
Illustration
Project Leading
Vtuber Managing

I love working in teams to create exciting projects. Visual development, gaming, and Vtubing are some of my favorite subjects to work with.

Experience

Black Card Members / Graphic Designer

FEB 2020 - PRESENT, <https://blackcardmems.org/>

Graphic Designer and Discord Moderator for the discord group "Black Card Members"

A space meant for empowering Black, Indigenous, Latine, Asian, and other POC Creatives to make connections in a fun, open community.

Applewifey / Personal Business

FEB 2020 - PRESENT, <https://applewifey.com/commissions>

My personal brand where I sell custom commissions and original merchandise created by myself.

Happi Zines / Project Director

FEB 2020 - PRESENT, <https://applewifey.itch.io/>

Creator and Director of the "Happi" zine project. These are yearly zines themed after a holiday where I have creators make art pieces in the program Microsoft Paint.

Education

Robert Morris University / B.A. in Media Arts

2016 - 2018

Eastern Gateway CC / A.A.S. in Internet & Digital Media Design

2018 - 2020
