Terms of Service

DISCLAIMER:

By commissioning me, you agree to these terms of service. Terms are subject to change at any time.

Etiquette:

When you commission me that *does not mean* we are automatically friends. Please refrain from messaging me daily. With each commission I will update you within 1 week of payment being sent with a WIP. I ask you to only reach out to me if I haven't spoken to you within 2 weeks or you need a change in your commission. Thanks!

General:

You may contact me through email or my Ko-fi and Twitter

Please include your paypal address and general details when contacting me over email.

I have the right to cancel and refund your commission at any time.

I have the right to deny you service.

I can work off a description. However it helps if you have multiple references for me to use.

I will fix small mistakes for free if the fault was on my part or other small edits. But I require you to send additional payment if the mistake is your fault or you decide you want more on the commission that we did not previously agree on. This doesn't apply to the sketching phase.

Those who have given me due dates will be bumped up in my queue, this will cost you a bit more.

NSFW:

In commissioning +18 material, you are agreeing that you are of legal age to purchase and view such content.

I take NSFW commissions, but I ask that when you receive your NSFW commission and share or upload it somewhere PLEASE DO NOT SOURCE ME. I do not want an NSFW reputation/following under the applewifey username. I do have a nsfw account that I will share with you for proper credit.

Payment:

I will not refund completed work.

You may request a full refund if I have not started after the sketch.

I will deduct a certain amount from your refund depending on how much work I've done.

DO NOT SEND PAYMENT UNTIL I ACCEPT YOUR COMMISSION.

Tips are [welcome and encouraged](#)! You can tip me through [Ko-Fi](#) or my [PayPal](#).

Usage:

I reserve all the rights to my work.

Do not claim my work as your own.

Your commission can be used for commercial work; please let me know ahead of time if doing so.

You may repost elsewhere, I only ask that you link back to my socials. (Twitter)

You may crop for icons.

If you have bought an adoptable from me, it is yours just credit me for the initial first picture/design.

No NFTs or AI allowed.

WHAT I WILL DRAW:

I'm pretty much open to anything and there's way too many to name, just message me about what you want!

Will draw humans, mechs (will try) furies and other things

If the content you want is uncomfortable to me I'll have a fee or refuse.

No inc*st / r*pe / or anything of that sorts either

No nsfw art of characters that are underage
